

# The Greater Kansas City Home Show Stage Schedule

## Friday, March 23 - Main Stage

4:00-5:00 pm	Annie Creates, Restoration Emporium	<b>"Budget Friendly Solutions for Your Home"</b>
6:00 – 7:00 pm	Kathryn Grube	<b>"How Color Impacts Your Brain"</b> Combining her scientific background with hands-on design experience, Kathryn will explain how color can influence behavior and healing in your home.
7:00 pm	Junior Design Challenge Finalists Announced	<b>Be there as finalists are announced</b> for the live challenge at the Home Show. Home Show visitors will be able to watch these young designers in action as they create their rooms on the show floor on Saturday.

## Saturday, March 24 – Main Stage

11:00 – 11:30 am	Donna Sagen, Container Creations	<b>"Beautifying Your Home: Container Gardening 101"</b>
Noon – 12:30 pm	Dustin Bates & Jen Bertrand	<b>"Epoxy Countertops"</b> Learn about the latest in countertop surfaces.
1:00 – 2:00 pm	Tamara Day & Ward Schraeder	<b>"Father &amp; Daughter: Demo-ing Our Way to Success"</b> Learn how this duo went from rehabbing area houses to starring in "Bargain Mansions" on DIY Network. Tamara will share how they find the featured homes and how she balances rehabbing, filming a tv show, and family time.
2:00-3:00 pm	Jeff Lewis	<b>Q&amp;A with Jeff Lewis of Bravo's <i>Flipping Out</i></b> This is your chance to ask Jeff everything you've always wanted to know about his design strategy, celebrity clients and the cast of characters that work with him.
3:30 – 4:00 pm	Sara Antin	<b>"Animal Friendly Plants"</b> Listen as Sara explains how to choose the best plants for your home and the four-legged members of the family.
4:00 – 4:30 pm	Chrysalyn & Jeff Huff, Restoration Emporium	<b>"DIY Reclaimed Materials and Your Home"</b>
4:30 – 5:30 pm	Tamara Day & Ward Schraeder	<b>"Father &amp; Daughter: Demo-ing Our Way to Success"</b> Learn how this duo went from rehabbing area houses to starring in "Bargain Mansions" on DIY Network. Tamara will share how they find the featured homes and how she balances rehabbing, filming a tv show, and family time.
